[Muslim\_Nation] Urdu Translation of Quran needed

to undisclosed recipients

AOA!

I need translation of Quran in Urdu done by Shah AbdulQadir Dehelvi.  
After his death some publishers altered some words to make them simple, so we need the  
translation that must be same that was done by Shah Sahib.

So please provide published Quran with his translation not later then 1835 AD, or it's  
scanned copy.

Or let us know from where we can find it.

If someone want to share it against some price it can be provided, even if book will be in the  
condition so that it can be scanned we will return the original book along with any price if  
you want to take.

We need it for a project.

Regards,  
Humayun.
