WA LAIKUM SALAM, ZAQRA

THE LIGHT BLUE DRESS THAT YOUR LITTLE SISTER-IN-LAW WAS WEARING AND THAT WAS REALLY YOURS PERHAPS SYMBOLISES YOUR DESIRE TO GET MARRIED AND LEAVE YOUR PARENTAL HOME.

Blue

Blue represents truth, wisdom, heaven, eternity, devotion, tranquility, loyalty and openness. Perhaps you are expressing a desire to get away. The presence of this color in your dream, may symbolize your spiritual guide and your optimism of the future. You have clarity of mind. Alternatively, the color blue may also be a metaphor for "being blue" and feeling sad.

If you are wearing light blue in your dream, then it symbolizes your creativity. You like to pace yourself in whatever you are doing.

IT COULD BE THAT YOUR IN-LAWS HAVE DONE SOME SORT OF JADDOO ON YOU SO YOU DON'T GET MARRIED BUT WE DON'T KNOW THAT FOR SURE AND IT'S WRONG TO BE SUSPICIOUS IN CASE THOSE YOU SUSPECT ARE INNOCENT!

Salam

Hope you are well.

I had a dream, which if possible I would like interpreted. I will be ever so grateful.

My dream goes as follows, I'm walk in my room and I see my little sister-in-law in my room and she's wearing my dress, its a sky blue dress and I've never seen it before but in my dream its mine. I ask her why is she wearing it and to take it off. She comes near me and tries to choke me, and naturally I'm shocked but she also looks scary and keeps repeating some words, over and over, its like she's placing a cure on me. Her face looks scary to me. In my mind I feel like she's placing a curse on me because of what she's repeating over and over. I don't understand what she's saying.

I then walk off and go downstairs where all my sisters are sitting in a room so I tell them what happened. I'm not frightened I just think she's weird and she's doing black magic or something. My sister asks what was he saying and I say I don't know.

I then say to my sister either she leaves or I leave and my sister says mum won't through her out you know what asian people are like. Its all about saving face. And then I woke up.

Generally I'm not the kind of person who thinks people are doing black magic on me but I know it does exist. I know some people blame a lot of the problems in their life on black magic but I'm not like that. I won't deny it exists.

I don't think she's done black magic on me. Never thought it.

I don't really have a problem with my sister-in-law she lives with my parents as do I as I'm not married yet. I get along with my sister-in-law but I know she gets cocky at times. We don't fight or anything.

Maybe the dream is subconscious or maybe it means something.

I do try and pray salat daily and give sadqa/yaramee monthly when I get paid.

Plus one more thing please. I know its farz to get married and as a girl it should be sooner than later but in life does everyone get married and does Allah have a partner for everyone because I know single girls who are 38 etc and maybe they stay single.

I know my parents want me to get married soon but don't know anyone and have left it to me. I'm in no rush to get married but I know Asian society and my parents have never pressured me and now it's too late. I never pursued possibilities when I was younger due to differences and now I'm not in a position to meet someone. Insha Allah life will fall into place.

I once read "Unanswered duas will bear so much reward on the Day of Qiyamah, that a person will wish that none of his duas were accepted in this world." And I have faith Allah has his plans and Allah knows best.

Maybe I'm praying wrong or not with a good heart I don't know but I'm trying.

If you can interpret my dream I will be grateful.

Thank you

SALAM, ZAQRA

TO SEE THE HOLY KA'BA IN THE DREAM DENOTES THAT YOU ARE A PIOUS CHARACTER AND CORRECTLY GUIDED IN OUR RELIGION [ISLAM].

SO, TOO, IS YOUR FRIEND WHOSE HUSBAND AND DAUGHTER WERE ALSO IN HOLY MAKKAH.

UNFORTUNATELY, I CANNOT SAY THE SAME FOR THE GUY YOU WERE WITH IN THE DREAM BECAUSE HE OBSERVED THE ARTIFICIAL KABA AND YOU POINTED OUT THAT IT WAS NOT THE REAL KABA.

SO IT FOLLOWS THAT THAT GUY WOULD NOT MAKE A GOOD HUSBAND FOR YOU. IT'S BETTER TO BIDE YOUR TIME THAN TO HURRIEDLY MAKE THE WRONG CHOICE OF HUSBAND!

Assalam alaykum

I found your details while I was searching for interpretation of dreams and found your interpretations very interesting.

I was wondering if you could interpret a dream for me please.

It goes as follows:

I was with a this guy I used to work with (dnt really speak to him, odd txd here and there) Anyway, in dream we had been out chilling n we end up in trafford centre (I'm not a shopper and rarely go to the trafford centre) then all of a sudden while we're walkin were in mecca, the place becomes the entrance to haram shareef. Exactly they entrance I used to use when I went their in May this year and May last year. I see the arab guides and realise its haram shareef. I can see the white pillars in front of me where I know in my dream once I get there I will be able to see the kabba.

I cnt see the kabba but I can tell its mecca

Hes walkin ahead and I tell him to stop because that way to go if your going to do umrah n if he goes there he'll be doing it wrong (because I know in my dream that he's not done intention, ihram etc and it will be done wrong)

He turns back and walks towards me, on the way out I see my friend, her daughter and husband they're walking towards mecca and I assume theyr doin umrah

She turns back and shouts me, her husband n daughter continue on to mecca

I ask her if her husband and daughter are they doin umrah n she says yes

She is going another way so I ask to her do u want to come n do umrah tomorrow because its the end of rozay n I wana do it b4 rozay end n she says no because of somethin, dnt remember her reason

Me n tht guy are walkin out n outside is a toy version of the kabba n mecca, looks exactly like it and I excitedly say to the guy this is what I looks like inside

Hes walkin ahead n we get to the staircase that leads to the kabba and I can see ppl doing umrah just like it was in reality. However the people are in clear water. I only realise when I get closer. It doesn't seem to affect them and the continue doing tawaaf etc (the water is up to the top of their heads. I can see the top of their heads)

That guy falls in n I pull him bak out sayin what u doing u going to drown n this is the wrong place its not

real mecca its toy version, this is where the shia are, lets go back

As Were walking out I see shia people walking towards the water (and they scare me) and me n him walk out. THE END

Please could you tell me the interpretation. I do try and pray 5 times daily and I hope I'm not praying wrong or something. I know when I'm praying namaz things pop into my head and I shake them off, I did hear some bad news while I was in Medina this May and kinda went in shock. When I got the email while I was in the hotel I was so shocked I walked towards the mosque in a state of shock and asked God to help me. I was grateful I was there for Umrah at the time of hearing it and I begged God while in mecca to help take my pain and make it easy for me and he knows best and there is a reason it happened but just make it easy for me to accept. I did say to God I think it is a test Im not going to pass but then I after speaking to a friend I knew I was there for umrah n there to worship God and that was my priority and I can deal with it when I get back home. Life has a tendency of going on just when you need it to stop for a second.

I was ill at the time of my dream. I hadn't slept all night. I was tossing and turning all night.

I am going through a difficult time and I do ask God to help me and I'm grateful for what I have.

My mums worries about rishtay etc but I'm not ready. I lived a life thinking muslims were muslims and a good muslim was the most important thing to look for in marriage but I didn't realise other people have cultural issues. Pakistanis, indians were all muslims to me. What's done is done.

Apologies for the long winded essay.

Your interpretation would be much appreciated.

Many thanks

Az

Ps could this email not go on the website please.
